This page will be updated as COVID19 policies evolve.

## 2022 IROS Health and Safety Hub

The health and safety of our conference attendees is our top priority. The 2022 IROS Conference Organizing Committee remains vigilant in monitoring the COVID19 pandemic.

OC will follow the guidelines by the government and the venue **ICC Kyoto** in order to host the event safely.

Request to participants from ICC Kyoto:

- Take your temperature before leaving home
- Wear masks and observe the coughing etiquette
- Thoroughly disinfect and sterilize your hands, wash your hands, and gargle
- Refrain from participating if you meet any conditions requiring admission restriction
- Refrain from discarding masks in the venue

**We would like to ask for your cooperation in preventing the spread of infection.**

## Important notes after entering Japan (excerpt from MHLW hp)

◆Please take the following countermeasures to prevent the spread of the infection.

Wear a face mask and take caution to protect others from getting infected.

Sanitize your hands thoroughly and wash your hands frequently.

Avoid the three Cs (closed spaces, crowded places, close-contact settings).
