

Health and Safety

(last updated August 25 , 2022)

This page will be updated as COVID19 policies evolve.

2022 IROS Health and Safety Hub

The health and safety of our conference attendees is our top priority. The 2022 IROS Conference Organizing Committee remains vigilant in monitoring the COVID19 pandemic.

OC will follow the guidelines by the government and the venue **ICC Kyoto** in order to host the event safely.

Request to participants from ICC Kyoto:

- Take your temperature before leaving home
- Wear masks and observe the coughing etiquette
- Thoroughly disinfect and sterilize your hands, wash your hands, and gargle
- Refrain from participating if you meet any conditions requiring admission restriction
- Refrain from discarding masks in the venue

We would like to ask for your cooperation in preventing the spread of infection.

Current Japanese Border measures

Beginning September 7th, Japan will no longer require Negative pre-departure

COVID19 test for boosted travelers who have had three vaccine shots.

*The new measures will apply from 00:00 on September 7th.

Country or region of your stay before arrival	Valid vaccination certificate	Quarantine		
		Pre-departure test	On-arrival test	Isolation
 BLUE	No need to submit	FOR ALL	×	×
 YELLOW	with		×	×
	without		○	3days at home *1
 RED	with		○	3days at home *1
	without		○	3days at facility *2

- *1Your isolation will be terminated if Covid-19 test is negative on the third day of isolation. You will be required quarantine for a total of 5 days if you do not take the test.
- *2Your isolation will be terminated if Covid-19 test is negative on the third day of isolation at the facility.

Important notes after entering Japan (excerpt from MHLW hp)

◆Please take the following countermeasures to prevent the spread of the infection.

Wear a face mask and take caution to protect others from getting infected.

Sanitize your hands thoroughly and wash your hands frequently.

Avoid the three Cs (closed spaces, crowded places, close-contact settings).
